- Women's Selection of Sources for Information on Breast Cancer Detection. Meischke, H; Johnson, JD; 19(5):30-38

TWO MAJOR ANNOUNCEMENTS FOR 1996!

NOTICE - A NAME CHANGE FOR HEALTH VALUES!

Beginning with the 1996 January/February issue, *Health Values: The Journal of Health Behavior, Education & Promotion* will be drop the term *Health Values* and will hereafter be referred to as the *American Journal of Health Behavior, Education & Promotion*. This name change will more accurately reflect our mission, goals and readership.

NOTICE - TO CHES HEALTH EDUCATORS...

You can now earn CATEGORY I CONTINUING EDUCATION CONTACT HOURS through the *American Journal of Health Behavior, Education & Promotion*.

The *American Journal of Health Behavior, Education & Promotion* has been designated by the National Commission for Health Education Credentialing as a multiple event provider of continuing education for Certified Health Education Specialists (CHES). Beginning with the January/February issue, the *American Journal of Health Behavior, Education & Promotion* will offer Category I, Continuing Education Contact Hours for CHES. Each issue will provide a 4-hour continuing education activity. The activity will be based on answering questions that are related to selected articles from the Journal. The cost for each activity will be \$24 (for 4 Category I continuing Education Contact hours). To earn the contact hours, CHES must be subscribers to the *American Journal of Health Behavior, Education & Promotion*.

Look for additional information in the January/February issue.
